

MEMBER COMMUNITY

2023-24 MEMBERSHIP REFERRAL PROGRAM

As a Laval Rocket member, you help us defend our ice by making the Place Bell the hardest and most hostile stadium for our opponent to play. You play a key role in making the Place Bell the most electric atmosphere in the AHL.

The more people we have in the stadium, the more games we can win together. You're the strongest advocate for what it is to be part of the member community and we believe we can work together to help fill every seat in Place Bell.

We want your help by referring your friends and family to join the Laval Rocket member community. Together, we'll make every game day the best experience in the AHL.

To thank you for encouraging other to join, you can receive rewards that increase in value for every cumulative dollar you refer. See below to find out how the member community referral program works!
