

# TICKET EXCHANGE PROGRAM

## HALF SEASON

This benefit allows you to exchange your tickets for a game that you're not able to attend, and double-up your seats for a future game during the regular season. For example, if you have 2 seats for the game on October 19 and you're not able to attend the game, you can transfer both of your seats to the game on October 26.

### *GUIDELINES & RESTRICTIONS*

- The future game you select must be included in your membership package.
- There is no limit to the number of games you can transfer throughout the season.
- We cannot guarantee seats in the same section as your membership.
- You must select your future game at the moment of the exchange. No seats can be banked or credited.
- Only games during the regular season can be exchanged. Preseason or playoff tickets are excluded from the ticket exchange program.
- You must respect the day of the week for the game you wish to exchange:

**WEDNESDAY** → **WEDNESDAY**

**FRIDAY** → **FRIDAY**

**SATURDAY** → **SATURDAY**

### *HOW DOES IT WORK?*

The ticket exchange program is available directly from your account manager via a computer.
